

Volunteers and Donors keep Mommy's Light shining brightly

"My involvement with Mommy's Light has been one of the most important decisions of my life. From the moment I sat in the training class three years ago, I have been and continue to be amazed at the energy the organization has and the good people who are part of it. I have met wonderful friends through volunteering."

— Christine, Mommy's Light Volunteer

Mommy's Light depends on volunteers to accomplish our mission. There are many jobs to be done...from preparing and fulfilling children's tradition requests...to organizing and helping out at special events...to all the other small and large tasks that arise on a day-to-day basis. One thing remains the same, the work is rewarding and inspiring.

From our inception, volunteers have donated more than one million dollars in money, goods and time to support our start-up and growth. And, they have donated the priceless gifts of dedicated service, creativity, excellence and generosity. We are thankful for every one of them.

If you would like to become a Mommy's Light volunteer, please visit our website, where you can learn about opportunities and subscribe to Highlights, Mommy's Light's online volunteer newsletter, or call 610-725-9790.

Thank you to all of Mommy's Light Fiscal Year 2007 Donors!
