

How Can My Group Get Involved With Mommy's Light?

If you are involved with a local business, community, school, social or religious organization who might be interested in supporting Mommy's Light, here are some creative and fun ideas to get your group involved! Interested volunteers should contact Becky Cacace at Becky@mommyslight.org or by phone at 610-725-9790.

Fundraising Ideas

- ❖ **Walk-a-thon**– collect pledges for each lap walked or ran. Organize this event at a local park, school track or neighborhood.
- ❖ **Read-a-thon**– collect pledges for each chapter/book/number of pages read. Books can be read at home, or perhaps during a designated time period at a local bookstore or library.

- ❖ **Bake Sale** – great idea for a school fundraiser, office activity or an “after religious services coffee hour”.

- ❖ **Sell Mommy's Light wristbands** – at your school, workplace or social club.

- ❖ **Neighborhood Carnival**

- ❖ **Car Wash for Mommy's Light**

- ❖ **Special Event Party** – volunteers have opted to request donations to Mommy's Light in lieu of birthday or anniversary gifts. Include a request for donations to Mommy's Light in your wedding registry!

- ❖ **Dog Walk** – organize a dog walk at your local park.

- ❖ **Holiday Parties** – one volunteer suggested that her fellow employees bring a donation of a gift card to a local store with them to their office party, which was then donated to Mommy's Light to purchase supplies for our tradition request packages.

- ❖ **Cookbook Sales** – compile your friends' favorite recipes for a cookbook, with sale proceeds to be donated to Mommy's Light.

- ❖ **Garage Sales**– great excuse to clean out the garage, get organized and raise funds for Mommy's Light!

- ❖ **Home Parties** – volunteers have hosted parties in their homes featuring candles, home décor, fashion jewelry, cosmetics and other fun items with a portion of the sales to be donated to Mommy's Light.

- ❖ **eScrip** – many local retailers and grocery stores participate in the eScrip program which allows you to designate Mommy's Light to receive a percentage of your purchases in their stores.
